

NCR Personas™ 77 Solo

Looking for high transaction volume capacity in a compact footprint?

YES

A small footprint that offers flexible placement options and high transaction volumes

NCR Personas 77 Solo provides the perfect cash dispense solution for any indoor location. Whether in bank branches or in off-premise locations such as supermarkets, shopping centers or airports, the sleek styling of the NCR Personas 77 Solo will attract customers and handle even the highest transaction volumes. At the same time, a very compact footprint provides maximum placement flexibility where floor space is at a premium.

- **Offer more services to your customers**

NCR Personas 77 Solo is able to deliver a wide range of non-cash transactions using its high resolution 12.1" LCD screen coupled with a powerful PC core that can run advanced Windows® based self-service software applications.

- **Add new functionality when it suits you**

Using NCR APTRA™ software, valuable revenue-generating and customer-attracting functions can quickly and easily be added to the core cash dispense capability.

- **Reach more customers**

NCR Personas 77 Solo's high-resolution 12.1" screen attracts more customers and promotes your brand.

- **Security your customers can trust**

NCR Personas 77 Solo maintains the integrity of your self-service channel for you and your customers by incorporating security features, including countermeasures to ATM fraud, Encrypting PIN Pad, support for EMV, Triple DES and Remote Key Management.

- **Increased availability**

With NCR's proven Personas technology and global service support, NCR Personas 77 Solo provides maximum availability and convenience to your customers around the clock.
