

I AM THE NCR ENDLESS AISLE KIOSK SOLUTION

Give your shoppers more information and choices to purchase items that are out-of-stock or not carried in the store

Deliver a superior in-store, self-service consumer experience with the NCR Endless Aisle Kiosk.

Expand selection and revenue

The NCR Endless Aisle Kiosk lets your customers browse for product information, check inventory, compare products and order out-of-stock items or products not carried in the store...without increasing your in-store inventory. Through seamless integration with your in-store kiosk, you can also make the most of your eCommerce investment and deliver the converged-channel experience today's shoppers expect.

Enhance customer service

Endless Aisle Kiosks give customers the option of choosing self-service or personal assistance from your sales associates. Many consumers recognize self-service to be faster, easier and more convenient while giving them more control and privacy. Additionally, Endless Aisle Kiosks offer these customers a way to access product information, compare products, and order merchandise independently.

Create a comprehensive shopping experience

With the tools, expertise, strategy and support to deliver the “anytime, anywhere” retail journey, you can differentiate yourself from the competition by communicating brand value, delivering business growth and enabling fully integrated customer experiences in the store. By bringing all your enterprise capabilities to the customer through an Endless Aisle Kiosk, you can maximize the return on investment on your existing systems while enhancing the customer’s shopping experience.

Empower your employees with technology

NCR Endless Aisle Kiosks are useful not only for customers, but for your store associates as well. Giving associates better electronic access to product information, inventory and ordering capability equips them to be more knowledgeable consultants to your customers. This, in turn, helps increase customer satisfaction and can drive loyalty for your brand.
